COMMS-2023-199

**HON. ANTONIO MARIANO ALMEDA**

*Administrator*

National Electrification Administration  
57 NEA Building, NIA Road, Government Center  
Diliman, Quezon City

Dear *Admin. Almeda*:

Greetings of Peace from PHILRECA!

For years, PHILRECA and the Electric Cooperatives have kept strong ties and a harmonious relationship with the National Rural Electric Cooperative (NRECA), a non-profit corporation committed in improving the quality of life for rural communities in developing economies by providing access to reliable and affordable electricity and technical assistance or training in rural electrification.

With NRECA, we are able to meet and build new relations with other Electric Cooperatives from different countries and learn new developments and innovations in the energy industry.

As tradition, NRECA, has been inviting the Electric Cooperatives to its Annual Meeting at U.S.A. to celebrate the strength of co-op network, review the rural electrification plans and project designs, and acknowledge the achievements and success of the energy industry. In line with this, it is with great pleasure to respectfully inform you that NRECA will be holding its **2024 PowerXchange at San Antonio, Texas on March 3-7, 2024**.

There will be a registration fee of USD 165.00 for the Exposition, attendance to the general sessions and forums, and entry to the International Luncheon as well as a payment of USD 150.00 for the Filipino Night.

Thus, may we kindly request for NEA's guidelines on this matter for ready reference of the ECs. We look forward and will greatly appreciate your positive response to give ample time for qualified participants to process their visa applications.

For other concerns, you may reach us at [core@philreca.org](mailto:core@philreca.org) or at 0917.110.8751/0916.266.6888.

Thank you, and Power On!

Respectfully yours,

  
**JANEENE DIPAY-COLINGAN**  
*Executive Director/General Manager*

  
**JOSELITO T. YAP**  
*President*
