

PHILRECA

PHILIPPINE RURAL ELECTRIC COOPERATIVES ASSOCIATION, INC.
— The Philippines' Electric Cooperatives —

26 May 2023

ADVISORY 2023-A-121

FOR : ALL ELECTRIC COOPERATIVES

**SUBJECT : NOTICE OF SEVERE WEATHER AND CALL FOR
ACTIVATION OF TASK FORCE KAPATID**

Greetings of Peace and Solidarity from PHILRECA!

As reported by the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA), Super Typhoon "Mawar" may further intensify and may enter the Philippine area of responsibility this evening (May 26) or morning of Saturday (May 27). After entering the country, the super typhoon will be named as "Betty."

Heavy rain is expected at North Luzon especially in Cagayan Valley. In this light, we would like to advise all electric cooperatives especially those who may POSSIBLY be directly hit by the super typhoon to be prepared and take all precautionary measures and potential hazards. All electric cooperatives are also advised to continue monitoring for updates or news relative to this super typhoon.

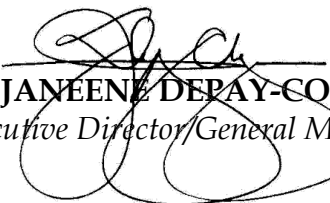

In addition, while we hope and pray for no damages, we would like to call on all Regional Task Force Commanders to REACTIVATE their respective Task Force teams and be ready for any eventuality.

For request for assistance and/or other inquiries and concerns, you may reach Engr. Kenjie P. Fagyan at 0965.5333.318 / 0917.110.8751 / 0916.266.6888

Let us pray for our safe passage in this severe weather and implore the Lord's guidance and protection to all ECs, Warriors of Light, and MCOs.

Thank you and Power On!

Respectfully Yours,

ATTY. JANEENE DEPAY-COLINGAN
Executive Director/General Manager

JOSELITO R. YAP
President

cc: All Regional Task Force Commanders
