Greetings from PHILRECA!

As we are about to end this year, PHILRECA, it's member electric cooperatives, and EC Allied Organizations will take the opportunity to celebrate accomplishments and breakthroughs and tackle prevailing issues and concerns that beset rural electrification advocacy. With the challenges that we are facing, we believe that this is the best time for us to discuss how we can improve EC services for the stakeholders.

With this, we would like to respectfully invite **all EC General Managers, EC Board Presidents, and National Officers of EC Allied Organizations to attend the Year-End Assessment, Planning and Year End Gathering on December 18, 2023, from 01:00 PM to 10:00 PM at The Manila Hotel, Rizal Park, Ermita, Manila.**

Part of the event is the presentation of the 2023 Accomplishment Report and 2024 Plans and Programs of the EC Allied Organizations (ECAOs). Thus, all ECAOs are encouraged to conduct their respective pre-planning activities. We have attached a copy of the program and templates for your ready reference. We respectfully request all National Presidents to submit your reports on or before December 5, 2023, at core@philreca.org.

In addition to maximize time all ECAOs are requested to submit a 5-minute recorded presentation of the 2023 Accomplishment Report and 2024 Plans and Programs. We would appreciate it if you could submit it not later than December 8, 2023 for collation.

A registration fee of Php 7,000.00 will be charged per participant, which will cover food, venue, and administrative costs. Kindly register your participants through this link:
