Greeting of Peace and Solidarity from PHILRECA!

Please be informed that upon discussion from the recently held PHILRECA board meeting last 21 September 2023, the Association is planning to call for the review of the ERC Resolution No. 14, Series of 2022 "A Resolution Adopting the Revised Rules Governing the Automatic Cost Adjustment and True-Up Mechanisms and Corresponding Confirmation Process for Distribution Utilities" specifically on Article 5 Section 1.c on the adjustment of rates to correct errors and monthly over and under-recoveries.

In line with this, we would like to request all the electric cooperatives to fill in the survey form (link below) and provide the following:

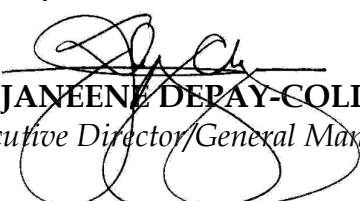

1. List of unresolved or pending EC petitions on over/under recovery with ERC from 2019-2023 or beyond
2. Period provided by ERC for EC to refund/collect on decided cases/petitions from 2019-2023 or beyond
3. Total amount for refund or for collection
